## ***Patient Services Coordinator Wanted***

Our growing Rochester and Plainview clinics need you! We are looking to add two new staff members to our team. Enjoy working with a team that takes a fresh look at health care. At ActivePT, we strive to get people better as quickly as possible and still provide affordable care. You will be working with a passionate team of health care professionals. You will be the first person our patients meet, so first impressions are everything.

You are a great candidate if:

- ✓ Your first impression is sincere, compassionate and people genuinely fall in love with you when they talk to you
- ✓ You are comfortable managing phones, computers, and people ... all at the same time
- ✓ You are consistently 15 minutes early for appointments
- ✓ You complete tasks the exact same way every time
- ✓ You make lists for everything and you always get everything crossed off your list
- ✓ New software is easy to learn with little to no help – we will be testing your skills on the computer as part of the application process

***DON'T DELAY!***

Submit your resume online at [www.activeptandsports.com](http://www.activeptandsports.com) or in person by Friday, March 18<sup>th</sup> to the Rochester ActivePT office just inside the front doors of the Rochester Athletic Club.
